## Grand Jury Absolves County Officials of Gaming Responsibility

### Pleas of Not Guilty Entered By Alleged Owners of Slot Machines

The Lake county grand jury absolved public officials of malfeasance in office or neglect of duty in connection with wide open gambling in Lake county prior to last October in its report to circuit judge Ralph J. Dady yesterday.

The decision based on the ground that insufficient evidence was presented to warrant any action followed the return of indictments last week against 11 alleged slot machine operators.

Claude C. Hutchison, Lake Villa, and Arthur Haas, Waukegan, said to be No. 1 and No. 2 men in the slot machine syndicate in Lake county both entered pleas of not guilty through their attorney Sidney H. Block.

Block's motion to quash the indictments were denied.

Jack Welch, Cuba, township, entered a plea of not guilty last week.

The rest of the 11 are expected to appear in court tomorrow and enter pleas. They are believed to have been out of the county.

## Farnsworth Funeral Held This Afternoon; Death Was on Tuesday

### Local Man Ends Life By Cutting Wrists With Knife in Despondency

The funeral service of Elmer Farnsworth, 54, who died at 10:45 a. m. Tuesday at the Lake County General hospital, was held at 2 p. m. today at the Strang funeral home with Rev. G. Richard Tuttle officiating. Burial was in Liberty cemetery.

An inquest held Wednesday afternoon by Coroner Garfield Leaf brought a verdict that death was due "to shock secondary to severe loss of blood caused by a deep gash on the left wrist self inflicted with suicidal intent, Feb. 23, by the use of a butcher knife at home during a period of temporary mental despondency."

Mr. Farnsworth was a resident of North Main st., in Antioch. He was born Nov. 28, 1893 at Portland, Me. Previous to coming to Antioch six years ago he lived in Orlando, Fla., and in Salem township.

Surviving are his wife, Katherine, a daughter, Elsie and a son, James, all of Antioch. One brother, Joseph R. Farnsworth, lives in Portland, Me.

## State Needs Sales Tax For School, There Is No Surplus--Paddock

### Senator Addresses Vets League Here Mon. Candidates Are Present

The idea of the state sharing the sales tax with cities and villages just cannot be done, Senator Ray Paddock told Republican veterans at the Legion hall Monday evening.

The meeting was sponsored by the Lake County chapter of the Illinois Republican Veterans' league with L. D. Powles serving as chairman. There was a satisfactory attendance and a movement was started to organize an Antioch branch of the league.

Sen. Paddock scoffed at the idea that the state has an unusable surplus of sales tax money.

"The University of Illinois alone is asking for \$83 million dollars for expansion in caring for the vast increase in enrollment," he said.

"Democrats are using the idea as propaganda for an unthinking public," he said.

The crowd had a chance to meet county and state candidates. Representatives Nick Keller and Harold Kelsey and Harvey Pearson were present. County candidates unable to be present because of conflicting engagements were Harry Hall and Charles Mason, candidates for state's attorney. Nelson and Daly were present, however, as were the candidates for sheriff and others seeking county office.

Robert Cowie, Jr., chairman of the county Illinois Veterans league, was present.

## Antioch High Finishes Season in Top Division; Loses in Dist. Tourney

### Sequoits Overcome by Larger Foresters 53 to 35, Intramurals Next

When a high school basketball team wins half of its games in a season it has been successful, most coaches admit.

This was the success of the Antioch Township High school in Northwest conference play this year, the Sequoits having won 7 of their 14 games to take fourth place—a first division berth.

The success of Antioch was all the more outstanding in view of the fact that there was but one letter man left from last year. Most of the team will be playing next year.

The varsity rounded out a successful season by winning from Northbrook on their home floor 29 to 23 last Friday. Northbrook won here, and their defeat last week was a shock to their boosters.

While Northbrook held on to third position, Palatine defeated by lowly Ela, dropped into second division behind Antioch, and Ela moved up to tie with Grant for sixth place. Wauconda finished the season without a victory, while Bensenville, the league leaders, won 12 and lost but one. Barrington was second with 11 victories and 3 losses.

**Loss First Game**  
The Sequoits went out of the district tourney early through a loss to take Lake Forest in the second game Tuesday evening 53 to 35. Lake Forest had a larger team and Antioch's smaller boys fouled so much in trying to stop them that only two regulars were left on the team when the game ended.

Prin. T. R. Birkhead and Coach Maurice Krizan believe it will take the best that the Northwest conference produces to stop Lake Forest. "The boys played hard," said Mr. Birkhead but Lake Forest had too good a team.

Grayslake won from the host, Wauconda 32 to 27, and Barrington beat Warren 32 to 19, and won the right to meet Grant last night, Grant having been given a bye.

Last night's winners were Northbrook, 52, against Ela, 34; and Grant, 35, against Grayslake, 29.

Tonight's games include Lake Forest against Barrington at 7:30 and Northbrook vs. Grant at 9:00 p. m.

Basketball will fade from the picture next week in Antioch High with the playing of the class games. The intramural competition will start Monday and should be completed before the end of the week.

The all-star team of the Girls' Athletic association will play the women teachers Monday afternoon after school.

### Servicenter Defeats Ingleside and Boosts Winings to 12 Games

The Antioch Servicenter match team defeated Al Friedle's Ingleside five Saturday night before a packed house at Carl Gibson's local sports palace.

Servicenter whacked the maples for a 2714 series on games of 872, 954 and 888, led by Ed Carney with 574, Emil Hallwas, 573, and Don Bauer, 566.

Ingleside rolled a 2590 series paced by Wehstein with 548.

Saturday's victory, the tenth in a row for Rudy and Bruno's stalwarts, gives Servicenter a record of 12 won and 2 lost for the season.

A return match is scheduled for the Ingleside alleys next Saturday at 8 p. m.

### Warren High Youth Wins Trip to Sports, Boat Show

Danny Zelenko, 15-year-old sophomore at Warren Township high school, Lake County, has won an all-expense paid trip to the International Sports, Travel & Boat Show opening tomorrow at Chicago's Navy Pier with his winning essay on the subject, "What Conservation Means To Me."

The young winner will represent the northern zone of Illinois, and he will compete against boys from the Southern and Central zones for the title of "King of Junior Conservation" at the Navy Pier show. The final winner will be named in both boy and girl classes at a coronation ceremony Sunday, Feb. 29 at 2:30 p. m.

**Graduates From Michigan**  
Loren David Sexauer, Jr., 390 Lake st., received his diploma as a graduate of the University of Michigan with the degree of bachelor of business administration following the close of the fall term this year.

## Weather Reports

## Archie Patterson Dies Following Brief Illness; Funeral to Be Saturday

Archie Robert Patterson, 40, residing southeast of the village, died at 12:15 a. m. Wednesday at St. Therese hospital following a short illness. He was taken to the hospital Sunday.

Born in Nelson, Nebr., Dec. 23, 1907, Mr. Peterson had been a resident of Antioch township for the last 12 years. He was employed as a clerk at the National Tea Co., store, and operated a small fox farm at his home. His parents, Mr. and Mrs. Ira C. Patterson, with whom he lived, survive.

The funeral service will be held at 3:30 p. m. Saturday at the Strang funeral home with the Rev. E. William Strauser officiating.

## George H. Randall, 51 Dies of Heart Disease After Brief Sickness

George H. Randall, aged 51, of Rte. 173, a resident of Antioch township for 28 years, died of a heart attack at 1:30 a. m. Tuesday while he was being taken to St. Therese hospital in Waukegan by the Antioch Rescue squad.

He was taken sick about 6 p. m. Monday and his condition became worse during the night. Dr. A. N. Berke said acute coronary occlusion was the cause of death.

Mr. Randall was employed as a chemical worker at Abbott Laboratories in Waukegan. He was born in Waukegan Sept. 9, 1896 and moved to Antioch township in 1922. He was a veteran of World War I, and a charter member of Sequoit post 4551, Veterans of Foreign Wars.

Prior to his employment at Abbott Laboratories five years ago, Mr. Randall was a construction worker at St. Mary's of the Lake, Mundelein. He is survived by his wife, Myra, a brother, Guy, of Waukegan, and a sister, Mrs. Jennie Harter of Millburn. A son S/Sgt. Willard Randall, was killed in action on Sept. 12, 1944, while serving with the army in Italy.

Funeral services for Mr. Randall will be held at 2 p. m. Friday in the chapel, 1055 Main St., with the Rev. G. Richard Tuttle, pastor of Methodist church, officiating. Graveside services at Hillside cemetery will be conducted by the Sequoit post, VFW. Friends may call at the chapel until time of services.

### 4-H Leaders to Meet at Crystal Lake next Thurs.

A meeting of all 4H leaders and prospective leaders will be held at the Odd Fellows hall in Crystal Lake, Thursday, Mar. 4. There will be a program to prepare leaders for improving their work with the young people. Leaders will be guests of the Public Service Co., of Northern Illinois at luncheon.

### Lake Villa Community Club To Sponsor Show April 9-10

The Community Men's club of Lake Villa is asking the people of this area to reserve Friday or Saturday evening, Apr. 9 and 10 for their annual spring show. The show this year will be "Spring Times Follies" and will be staged by professionals.

## Cardinal Takes Over American Coach Lines In Antioch, Fox Lake

### New Schedule With More Buses Started Yesterday, Coaches Larger

Antioch is now served by a new bus company on a new schedule.

Starting yesterday the Cardinal Coach Co., took over the American Coach Co., lines between Antioch and Waukegan and Antioch and Chicago. The company also operates buses between Fox Lake and Chicago and Fox Lake and Waukegan. The Antioch bus is known as the Channel Lake line.

Henry Palm, district manager, said that the sale of the lines was completed last weekend after the Illinois Commerce commission acceded to the petition of sale following three applications by the companies. The other two petitions were denied.

The new system immediately started the operation of extra buses to Waukegan and Chicago and will add still more during the summer schedule. New red and white Arrow buses seating 35 passengers will replace the old ones carrying 27.

The schedules of buses to Chicago is: 7:25 a. m.; 9:25 a. m. 12:45 p. m. 3:25, 5:35 and 9:35 p. m. Returning the buses will leave Chicago at 9:10 a. m.; 12:10; 2:30 5:10, 8:55, and 11:25 p. m.

The schedule to Waukegan is: 6:30, 8:00, and 10:00 a. m.; 12:05, 2:00, 4:05, 5:40, 7:00 and 9:10 p. m. Returning the schedule is: 8:05, 9:20 a. m.; 12:20, 1:20, 3:20, 5:20, 6:20, 9:10, and 11:50 p. m.

Palm said that he would remain for the time being as district manager for the new company. He thought that present drivers would be permitted to continue their work as drivers if they could qualify under more strict driving regulations. Experienced operators will come here to teach the operation of the new buses.

The Cardinal Lines have headquarters at Janesville, Wis.

## Veterans Given Opportunity To Check Vital Papers at Meeting Here Next Thursday

Because a number of veterans, both men and women in Antioch and Lake Villa townships have not filled out their terminal leave or Illinois bonus papers, John L. Horan, service officer has arranged a meeting from 6 to 9 p. m., Thursday, Mar. 5, in the Antioch Legion hall when members of the Illinois Veterans commission will be present as consultants. Arthur F. Reutlinger, Arthur G. Adams and office secretary Mrs. Myrtle Jacob of the Waukegan office, will be present at those hours to help fill out applications and check papers.

"This is not a Legion membership drive," said Horan. "Whether you belong to the Legion or not the service is yours for the asking. Come at any time between 6 and 9 p. m. and do not stop for lunch, it will be there for you. Regardless of whether your problem is large or small take advantage of the opportunity now of getting the right answers."

According to Horan many veterans have not taken the time to check over their government insurance, one of the first major problems of the veterans and his dependents.

**New Uniforms Arrive**  
New uniforms for the Antioch Legion post ritual team of 14 members have arrived. The squad is under the direction of Edward H. Jahnke.

## Chicago Youths Wanted For Shooting Policeman Stop at Wm. Horton Home

### Lewellyn Lesch, One of Pair Formerly Resided at Millburn

Mr. and Mrs. William Horton, Sr., of Rte. 173 were surprised to learn on Tuesday that a former neighbor, Lewellyn B. Lesch, 22, and his companion, Louis Jazbinschek, 25, of Chicago, who had spent an hour visiting them the night before were fugitives wanted for the shooting of a Chicago probation officer.

The two came to the Horton home at 11 p. m. Monday and Lesch said he had quarreled with his wife and was leaving Chicago. He asked for work on the farm but was told there was none for him. They were not encouraged to stay.

From Antioch Lesch and Jazbinschek were believed to have gone to Warsaw, Ind., where they were sought yesterday. They called relatives from there, Lesch telling his wife, a mother of two children, he couldn't come home as he was "hot". The two are accused of pouring the fire of their two guns into the chest and shoulder of William Hoban, Summerdale station operative when he tried to question them as they sat in a parked car behind a liquor store. He believed they were casing the store in preparation for robbery.

Witnesses took down the license number of the Ford car as the two sped away. Hoban yesterday was in a serious condition at Edgewater hospital and not expected to recover.

The Lesch family formerly lived in a "government" house at Millburn. L. B. Lesch, Sr., a steel salesman, is now dead and Mrs. Lesch, a daughter and a son, Robert, live in Oak Park, Ill. The daughter spent last week in the Horton home.

Lesch and his companion have been employed as window trimmers for the Walgreen Drug Co., in Chicago. Neither has been in trouble before, but Jazbinschek's brother, Joseph, was fatally wounded by a Chicago policeman while leaving a stolen car.

## John N. Crowley Dies Wednesday At Ninety-two

John N. Crowley, well known pioneer resident of the community, passed away yesterday at 4 a. m. at his home on north Main street. He would have celebrated his ninety-second birthday anniversary today had he lived. He was well up until the time of his death and retired for the night Tuesday evening in his usual health.

Crowley was born February 26, 1856 in Salem township and spent most of his life engaged in farming there. He moved to Antioch with his wife in 1927, where he has made his home since. Mrs. Crowley, the former Charlotte E. Coon, passed away in 1932.

Survivors include a son, Clarence, one granddaughter, Mrs. Oren Nash, of Toulon, Illinois and one grandson, Kenneth Crowley of Waukegan.

Funeral services will be held Saturday at 1:30 p. m. from the Strang funeral home. Burial will be in Liberty cemetery.

## E. E. Elsbury Heads Breeding Association

E. E. Elsbury of Gurnee, was re-elected president of the Northern Illinois Dairy Cattle Breeding Association at the annual meeting held at Sugar Grove last Thursday.

The meeting was attended by a large crowd of dairymen from counties covering the northern third of Illinois, the area now served by this artificial insemination association. The large number in attendance indicates the rapidly growing interest in the artificial breeding service.

Many dairymen in Lake and other counties are turning to the breeding association as one of the best means for building up profitable dairy herds.

Mr. Glen Salisbury, head of the U. of I. Dairy Department, told his listeners that the time is not far off when one bull will be breeding several thousand cows in a single year.

Lake County dairymen who wish to obtain artificial breeding service can do so by calling Grayslake 4241 or 6251.

## Red Cross Drive To Start Monday, Goal Is \$2,100

### Increases Due to Change to 15-Month Period of County Expense

Antioch's annual Red Cross drive will start Monday.

Ed Jacobs will be chairman of the local drive with William Weber of Lake Villa having charge of the entire rural area for Lake county. Mrs. Weber will serve as chairman in Lake Villa.

The quota for Antioch this year is \$2,100 a thousand more than set for last year. This is in proportion to the \$84,000 set for the entire county in contrast to \$35,000 last year. Ten thousand dollars are to be raised in the rural areas.

Lake Villa has a quota of \$1,400. Groundwork for the drive was laid a week ago with meetings in chapter headquarters in Waukegan. The planning and rating committee heard from Jerome Morrison, drive chairman, outline details at a luncheon, while rural chairman met with Mr. Weber and William Jones, who will serve as co-chairman. Jacobs attended the meetings.

**Explain Increase**  
LaVerne Dixon, chapter chairman, explained the need which prompted the board to set \$64,085 as goal for the 1948 drive. Last year, he said, the quota was set at \$44,445 for chapter operation. Because there was a surplus in the local treasury of \$23,828, the chapter at that time only asked the public for \$33,356 of which 28 2/10 per cent was sent to national headquarters for National and international programs carried on through those offices.

**National Asks Less**  
This year, Dixon continued, the overall budget is about the same, \$47,915, based against the last year's operational expenses. However, national headquarters has changed the fiscal year of the local chapter from June 1 to June 1. In the past the new year started March 1. The overlapping three months for this year only make it necessary for the budget to be increased to care for a 15-month period.

National this year had asked for only 26 1/2 percent as the local chapter's quota.

Planning and rating committee members attending the other session were: Fred W. Gaff, Jr., A. T. Wille, Dixon, Edward Sauter, Mrs. Louis Diamond, Mrs. William Schwartz and Mrs. Bryson. Area chairmen were Wayne Carpenter, in charge of the small industries; Elwyn F. Wightman, retail division; Mrs. William Marks, Lake Villa, supplies; Robert Coulson, professional division.

### The Choice

The President's proposed 1949 budgets asks for record expenditures for socialized Federal electric power projects—even as it asks for record expenditures in many other directions. The Reclamation Bureau is scheduled for nearly twice last year's request, the TVA would get more than \$100,000,000 to carry on its corporate state activities in the Southeast, and the Army Engineers are slated for about \$150,000,000 more than they were given last year for flood control. All in all, proposed Federal spending for electric power development and related work would come to about \$1,000,000,000. In addition, enormous sums are asked for purposes which have an indirect connection with the drive to socialize the power resources of the United States.

Just how this kind of spending—and this kind of public policy—can be justified, when economy is needed, is one of the biggest questions of the hour. There is no question of the ability of the electric utility industry to serve the country if permitted to do so—it is now carrying on the most costly expansion program in its history, and the ration of reserve capacity to power sales is increasing. The much talked about "power shortage," predicted by government ownership promoters for 15 years, that was supposed to blanket the country this winter hasn't occurred and, according to the experts, will not occur. Nor can there be any question that the electric industry will continue to provide by government power monopolies. The regulatory agencies, state and Federal, will see to that.

If the American people wish this country to go

the way England and most of Europe have gone, embracing destruction of individual rights and freedoms, socialization of the power industry is an excellent place to start. It is a pity that those who favor socialization almost invariably camouflage their motives so that the unwary cannot see that they seek revolutionary changes in American ideals of government and free opportunity. Nowhere is this being more adroitly done than in the economic text books and classes of leading colleges. It is time to bring the power issue into the open. We can have socialization at an unknown cost to us in money and infinitely more important, in the lost coin of freedom. Or we can have regulated, taxpaying, progressive private enterprise. Let the people hear both sides of the issue.

### Watch Open Flame Heaters

According to engineers of the National Board of Fire Underwriters, emergency operation of unvented open flame gas and oil heaters brings a serious hazard to life in the home. If a house is tightly closed or a room is small, the oxygen present is gradually burned up, and the products of combustion develop dangerously high percentages of deadly carbon monoxide. The combination of toxic carbon monoxide and the asphyxiation produced by inadequate oxygen may result in a drowsy, painless death.

Inasmuch as heaters are frequently used to implement regular heating systems, three safety rules suggested by the National Board should be known to every householder. First, the doors to individual rooms in which the heaters are burning should not be closed. Second, the heaters should never be left burning upon retiring for the night. Finally, the heaters should not be used as the permanent or sole source of heat for habitable rooms.

Smoke issuing from any open flame heater is a danger signal—it indicates a deficiency of oxygen, or a dirty or badly-adjusted burner. A number of deaths were caused by the heaters during recent cold spells, and knowledge and caution in the home can prevent a repetition of these tragedies. Don't take a chance.

## About Electric Blankets and Comforters

### ... new contributions to Better Living

FOR many years the Public Service Company has helped to introduce many useful electrical appliances into Northern Illinois homes. Now we feel it is timely to inform the public of another new use of electricity... electric blankets and comforters. Here are some facts about them.

Electric blanket production during the war was restricted so that electrically heated flying suits could be manufactured for the Air Forces. In the development of these flying suits, a great amount of research and testing was done. Because of the extreme temperatures encountered by the flyers (as low as 60 degrees below zero) and the hard usage given the suits by the bomber crews, a fine, extremely flexible wire was needed. As a result, a wiring system was developed that was so sturdy it outlived the fabric.

#### They Are Dependable

All the research and testing accomplished during the war years has contributed directly to the dependable and efficient operation of these new electric bed coverings. Tiny thermostats provide protection from possible overheating due to abuse. Leading brands are approved by Underwriters' Laboratories, Inc., and those we offer for sale have been thoroughly tested and approved by Public Service Company's own testing laboratory.

Ordinary bed covers can only insulate the body from changing room temperatures. It is the heat of the body and the number of covers added that controls the temperature in the bed. In order to be perfectly comfortable with ordinary covers in a room where the temperature is constantly changing, they would have to be added and removed throughout the night.

With only one electric blanket or comforter, the proper amount of warmth is maintained throughout the night regardless of changing temperatures. The warmth given by the electrically heated cover is a gentle heat that can barely

be felt by the hand. The bedside control regulates the heat automatically, and provides many degrees of warmth from which to choose. With only one cover per bed needed the bedmaking problem is simplified. It means easier cleaning and storing when not in use, too.

#### Many Types Available

There are several types of electric bed coverings—a blanket designed for a double bed with a dual temperature control so two people in the same bed can select the degree of warmth each wants for his half of the bed. Another is a satin comforter which operates like the blanket. And still another type of blanket operates on the same general principle as the others but the temperature is electronically controlled by the temperature of the bed rather than that of the room. Electric bed coverings are available in a variety of attractive colors, and in both twin and double bed sizes.

#### Care is No Problem

Electric blankets can be washed the same as any other fine piece of wool. They are certified washable by the American Institute of Laundering and many good laundries will wash them for you. The electric comforter has a sheet containing the wires which is removable for washing. The satin covering is cleaned like an ordinary comforter.

What you sleep under is just as important to sleeping comfort as what you sleep on. Electric bed coverings, the first important improvement in sleeping comfort in many years, are a major addition to the long list of conveniences which electricity has brought to the American home. Users are unanimous in expressing their satisfaction with this new contribution to their comfort.

**HOW TO SAVE HALF THE WINTER FUEL  
BILL TOLD BY UNIVERSITY**

Rising coal and fuel oil prices give added point information released by the Small Homes Council at the University of Illinois telling about home insulation, which can save as much as one-half the winter fuel bill—one shovel of coal from every two.

Fifty per cent is the saving estimate for a typical two-story frame house with wood or shingle siding to which tight storm windows and doors, four inches of insulation between ceiling joist and three and five-eighths inches between wall studding is applied.

The facts about insulation and fuel saving, many resulting from years of careful research at the University, are presented in a free eight page non-technical circular. The high spot in it is a table showing reductions in a fuel bill possible in eight typical types of construction for one-story and two-story homes.

Benefits of insulation, the circular says, include greater comfort by making walls and window surfaces warmer, reducing drafts, and making heat more uniform; cooler houses in summer; and money saved by reducing fuel needs and requiring a smaller heating plant or less load on existing equipment. Also walls and ceilings are cleaner because dust and dirt do not gather on warm surfaces as they do on cold.

Good insulation will not attract insects and mice and will not form fire hazard, will not absorb moisture and get soggy and will not deteriorate or settle, the circular explains.

**Only Chevrolet Is First!**

Meet the new standard of Big-Car beauty! It's here, in Chevrolet's bodies by Fisher—finest bodies made—available only on Chevrolet and higher-priced cars.

You'll enjoy Big-Car performance, too, when you own a Chevrolet; for it brings you Valve-in-Head engine performance, found elsewhere only in more expensive cars.

You'll find Chevrolet rides more smoothly on all types of roads due to the famous Knee-Action Ride; and, of course, Knee-Action is found only on Chevrolet and costlier cars.

Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, pending delivery of your new Chevrolet.

Men and women everywhere agree: Only one is No. 1—only Chevrolet is first—in all-round value as in popularity. Consequently, more people drive Chevrolets than any other make, according to official nationwide registrations; and more people want Chevrolets than any other make, according to seven independent nationwide surveys. Here, in the new 1948 Chevrolet, is record value. For new and even more luxurious styling, colors and appointments have been added to all of Chevrolet's other advantages of BIG-CAR QUALITY AT LOWEST COST!

# SOCIETY EVENTS

## Van Cleave Will Address B. & P. W. Club With Boy Scouts as Guests Monday

The next meeting of the Antioch Business and Professional Women's club will be held at the Antioch grade school Monday, Mar. 1.

A short business meeting will be held at 7:30 p. m. followed by a social meeting at 8 o'clock.

J. N. Van Cleave, assistant to the county superintendent of schools, will speak and show colored pictures of Europe which he took while traveling abroad for two months with 1,200 Boy Scouts.

The Antioch Boy Scouts will be guests.

## LAKE VILLA YOUTH GO TO WOODSTOCK INSTITUTE

Eight high school young people from the Lake Villa Community Methodist church will attend the Methodist Youth Midwinter Institute at Woodstock, Ill., Saturday, Feb. 28. They are: Virginia Wilson, Marlene Nader, Enid Karolius, Pat Keller, Jack Mahoney, Dick Hansen, Philip Ward and Gene Nickerson. They will give a report of their findings there at a meeting in the church on the following Sunday evening.

All high school young people are invited to attend this meeting at 7:30 p. m. in the church basement. This will be the first meeting of the Youth Fellowship and plans will be made for electing officers and having regular bi-weekly meetings.

### Lake Villa Services

The worship services at the Lake Villa Community Methodist church will center around the matter of our personal Christian life in the light of what it ought to be as we approach the Easter season. Sermons for the next three Sundays are based on the subject of a selfhood. Feb. 29, "Take a Look at Yourself." March 7, "Life Is What You Make It." March 14, "Let's Be Normal." On Palm Sunday there will be a service of baptism and new members will be received.

## "KING OF KINGS" AT FAMILY NIGHT SUPPER

The Lenten observance of Family Night at the Methodist church will feature the showing of Cecil B. DeMille's epic film, "The King of Kings," next Tuesday evening. The film has, through the years, become a sort of classic American passion play. With impressive pageantry and reverence it depicts the latter years of Jesus' life.

The Family Night pot luck supper will begin in the church basement at 6:30 and will be followed by the showing of the picture at 7:30. Persons from the community interested in seeing the picture are invited to the showing in the church sanctuary at 7:30. Those coming to the pot luck supper are asked to bring their own table service.

### MYF TO WOODSTOCK

A group of young people from the church will attend the annual Mid-Winter Institute of Methodist Youth Fellowships at the Methodist church in Woodstock on Saturday and Sunday. The group will leave Antioch Saturday morning, returning Sunday afternoon.

"Too Little and Too Late" Rev. Tuttle will preach on the subject, "Too Little and Too Late" at the Sunday morning worship service which begins at 11 o'clock. The robed choir which rehearsed this week under the direction of Mrs. Badger will sing.

### Wire Recording Service

The Methodist Youth Fellowship will hear a wire recording of the famous radio program "The Greatest Story Ever Told" at their service Sunday evening at 6 o'clock. The program is one which has been picked out for the occasion. Betty Terry will have charge of the devotions.

## MR. AND MRS. CAREY ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. James Carey, of Twin Lakes, announce the engagement of their daughter, Patricia Jean, to William A. Meyers, son of Mr. and Mrs. Franklin R. Meyers of Park Ridge, Ill.

Miss Carey is a graduate of St. Mary's High school at Burlington, and is now a junior in the Liberal Arts Course at Marquette University, Milwaukee. She is a member of Chi Sigma Chi Sorority.

Mr. Meyers graduated from Maine Township High school and is a former Illinois University student. He is connected with the Franklin R. Meyers firm in Chicago.

No date has been set for the wedding.

## LEHMANN-WALDWELLER HOSTESSES AT LUNCHEON

Mrs. Frieda Yopp of Grass Lake was guest of honor at a luncheon and party in honor of her birthday anniversary Friday, at the home of Mrs. Alice Waldweller. Mrs. Irene Lehmann was assistant hostess. Mrs. Yopp was presented with a beautiful orchid and many other lovely and useful gifts from the group. Entertainment was furnished by the Grass Lake Twins. Those present were Mrs. Marie Yopp, Mrs. Elsie Steitz, Miss Clara Haling of Forest Park, and Mrs. Eva Seirurek of Chicago.

## St. Ignatius Church To Hear Bishop Over Radio During Service

On Sunday, Feb. 29, substantially every member of the Episcopal church will hear the voice of their Presiding Bishop, the Rt. Rev. Henry Knox Sherrill, by means of a new and extraordinary use of radio.

In Antioch the congregation of St. Ignatius' will sit in its pews and at exactly 11:32½ a. m., the Presiding Bishop's voice will be heard, telling of the needs of war devastated countries in Europe and Asia, and urging Episcopal church members everywhere to accept their plain duty and privilege of helping these suffering millions. The same scene and the same message will be repeated in thousands of Episcopal churches all over the country, at exactly the same time.

The Episcopal church gave more than a million dollars in 1947 through its Presiding Bishop's fund for world relief, and it intends to raise the same amount in 1948. The entirely new use of radio opens what is expected to be a very brief and highly successful campaign.

At the Sunday service, Feb. 29, when Bishop Sherrill's ten-minute address ends, the Priest-in-charge of St. Ignatius' church the Rev. R. William Strauser will tell his people how they may have a part in this program of aid for the distressed, through the Presiding Bishop's fund. Then the opportunity will be given for both immediate gifts and short time pledges. At national church headquarters in New York City it was stated recently that "Our \$1,600,000 people can raise \$1,000,000 for the Presiding Bishop's fund for World Relief in one day if each parish and mission will do its share."

The radio address is "live" that is, it is given by Bishop Sherrill in New York at the time it is heard. This is the first time radio has been used by any Church in such a way, to convey a message to its whole constituency at one time.

James Roepenack recently returned home from St. Therese hospital where he underwent an appendectomy.

Miss Charlotte Beelow entertained a number of friends at her home Monday evening in honor of her 11th birthday anniversary. Ice cream and cake was served the guests by the hostess.

## Indian Point Club Meets With Mrs. Herman Fink

The Indian Point Women's club met last Thursday at the home of Mrs. Herman Fink. Ten members and one guest were present. Three chapters of the book My Son, My Son, were read by Mrs. Rose Keating.

The next meeting will be on Thursday, Mar. 4, at the home of Mrs. Audrey Elsenschmel.

## ANTIOCH WOMAN'S CLUB TO HOLD MEETING MON.

The Antioch Women's club will hear Dr. Eugene Victor Jasinski, a speaker from Council on Foreign Relations at a meeting Monday afternoon at the home of Mrs. John L. Horan. Dr. Jasinski served in the Polish Embassy. He has a wide background of journalistic work and radio commenting, at present is writing a book on Poland.

Mesdames Wm. H. Osmond and L. V. Madden will be assistant hostesses.

## HOUSE WARMING FOR MRS. KARL WIECHMANN

Several Grass Lake women went to the new home of Mrs. Karl Wiechmann on Hickory st., in Fox Lake Tuesday for a surprise house warming. They took a bountiful supply of food for a potluck noon luncheon and spent the afternoon visiting. Each presented Mrs. Wiechmann a gift for her new home. She recently moved from Grass Lake.

The guests were Mesdames Erich Kirshae, Lawrence Yopp, Paul Portwich, George Geib, George Vervanka, and Walter Selzer.

## County Got \$25,196 More In Gasoline Tax in 1947

Lake county and its principal municipalities received \$430,808 in allotments from Illinois state gasoline taxes in 1947, compared with \$405,612 in 1946, according to a statistical analysis prepared by Barcus, Kindred & Company of Chicago, specialists in Illinois municipal bonds. This was an increase of \$25,196.

For Illinois as a whole, 1947 allotments to counties and cities from gas tax receipt reached an all-time high total of \$27,268,074. This was \$1,991,460 ahead of 1946, the previous high year, when distribution totaled \$25,276,610.

Increases in allotments were due to steadily rising gasoline consumption, which boosted motor fuel tax receipts, the financial firm declared.

Lake county's 1947 share of allotments distributed locally by the state was \$272,616, a gain of \$14,003.

## Dairy Herd Improvement Assoc. Elects Officers

The Lake County Dairy Herd Improvement Association held its annual meeting at the Farm Bureau Hall last Wednesday evening to transact business and elect directors and officers for the year, according to Ray T. Nicholas, Lake County Farm Advisor.

The officers for 1948 are Walter Krumery, Grayslake, president; Earl Kane, Jr., Mundelein, vice president; L. E. Carlson, Lake Villa, secretary; Mrs. C. W. Hutchings, Mundelein, treasurer.

They are also directors, and the board is completed with Harry Powis, Gurnee; George Leikam, Prairie View; and Allen Shanks, Round Lake.

Preceding the election of directors, the Farm Advisor showed an instructive motion picture entitled "Ridding the Farm of Flies." The picture illustrated the use of D. D. T.

**Fire at Golden Glo Dairy**  
Some gasoline used in cleaning equipment spilled on the floor of the boiler room of the Golden Glo Dairy caught fire from the boiler but was soon smothered and did practically no damage Wednesday afternoon. The fire department was called as a means of protection, however.

## Church Will Sponsor Movie Here Next Week

The Methodist church is sponsoring the motion picture, "Always Together" at the Antioch theatre on Wednesday and Thursday, March 3 and 4.

The picture is one of the wholesome kind starring Robert Hutton and Joyce Reynolds and is produced by Warner Brothers. Just released last month the picture is a romantic comedy—the type women refer to as "sweet."

The laughs are not of the side-splitting variety but they are there all through the picture just the same.

What is it worth to **YOU?**

What is it worth  
as your sentinel of safety,  
through the long, dark reaches of the night...  
When it summons quickly the calming voice  
of a dear one or brings in time  
the healing presence of the doctor...

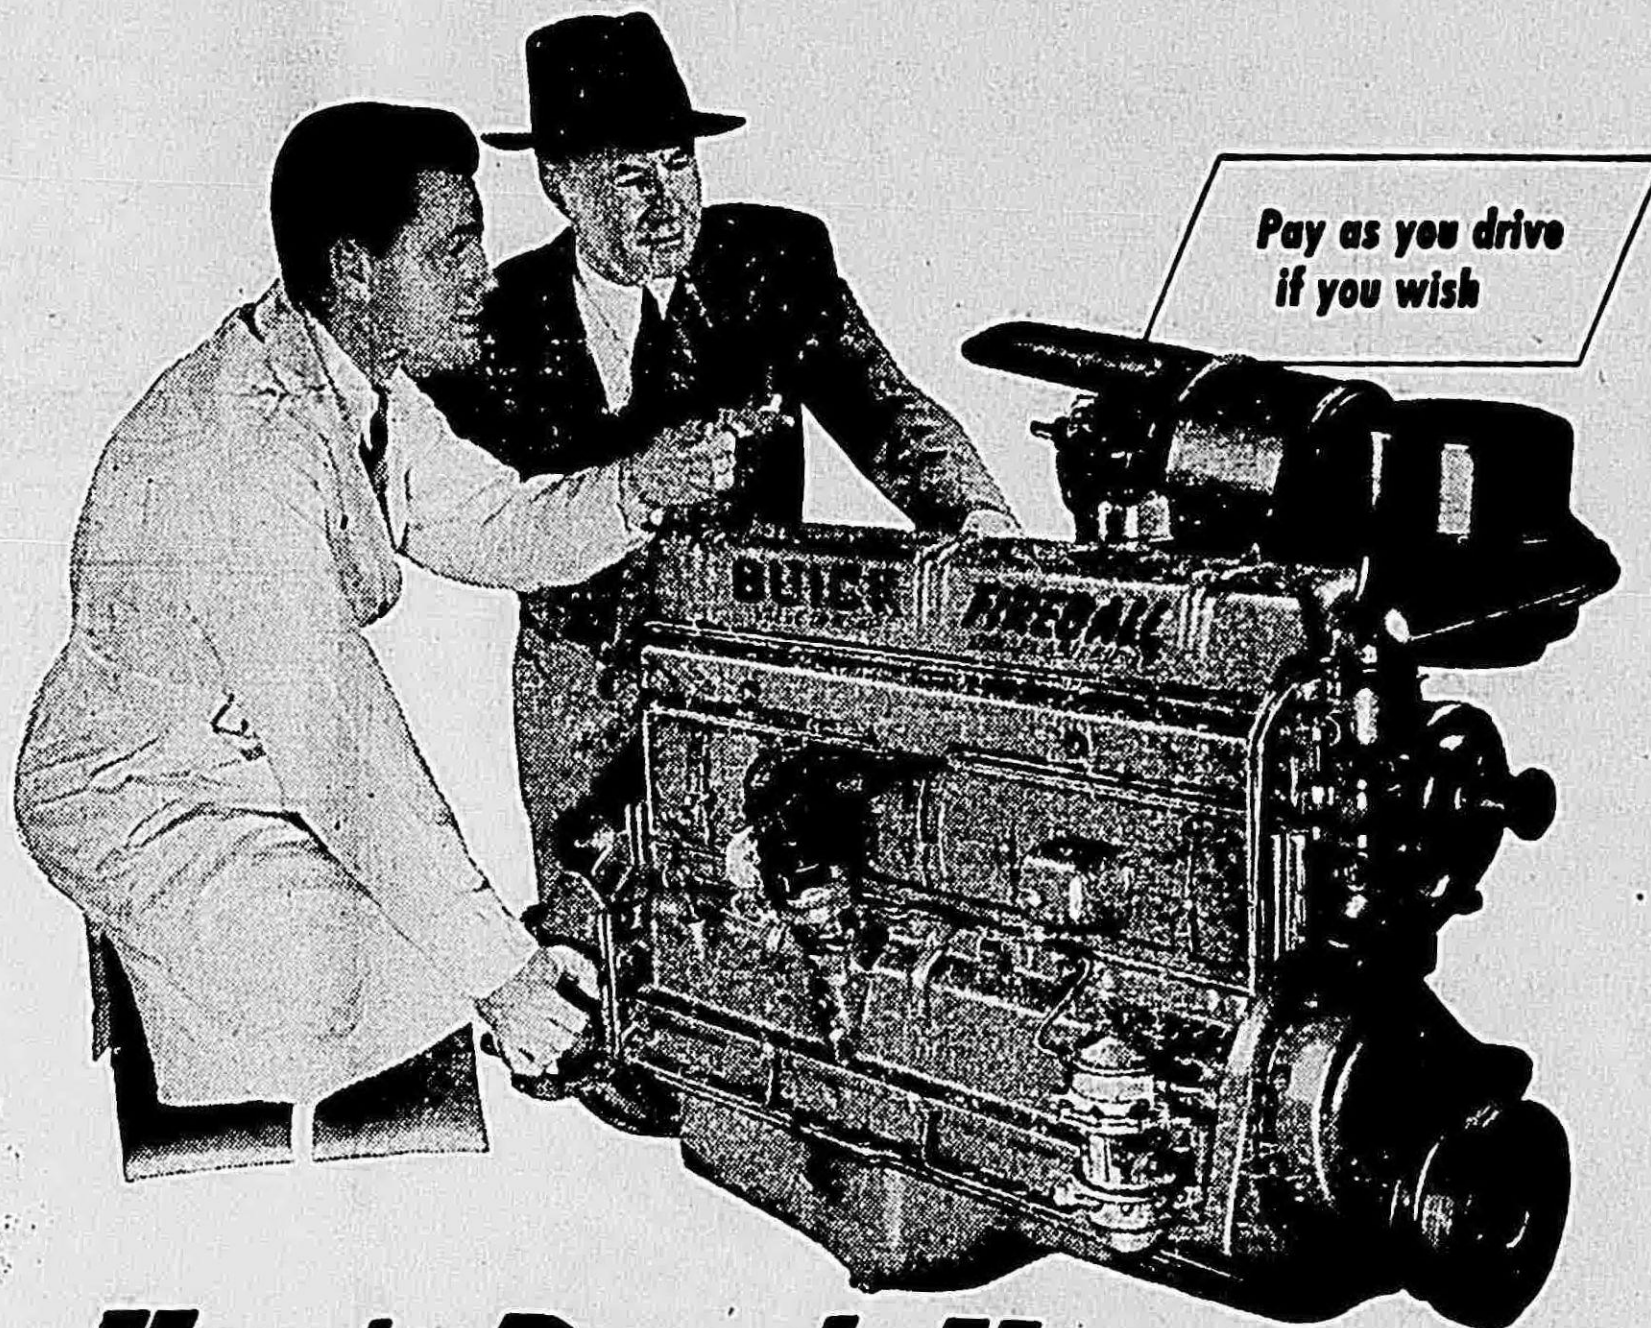

What is it worth  
as your cheerful servant  
that never falters through the busiest day...  
When it makes easier the routine tasks  
of buying, selling, hearing, telling,  
asking, advising, ordering, revising...

What is it worth  
in the thousands of steps,  
the countless moments it saves you...  
When it bridges time and space,  
sweeps away the loneliness and keeps your world  
within ever-ready reach of your hand...

What is it worth?  
Put your own price tag upon it.  
And know that, always,  
we are striving to make it worth more  
in accuracy, dependability and in a friendly spirit  
that to us is a tradition.

Here's Brand-New  
Power for your Buick

Our men do a master job of keeping Buicks right up to Buick high standards. They can get everything out of them that there is to get.

But maybe you'd like the thrill of a brand-new engine in your car.

If so, we're ready to do that job too—ready to put a straight-from-the-factory engine in any Buick built since 1937.

You get an entirely new engine. It has a new carburetor and air cleaner. It has a new distributor with both vacuum and centrifugal spark control. It has new wiring and spark plugs—even a new smooth clutch

that eases every start and makes driving fun.

On top of all that, this engine brings you the latest Buick features you read about—features like precision cylinder boring and Flex-Fit oil rings, Stratoflow cooling and all the rest.

We have these engines for you right now because Buick engine production is running ahead of complete car output.

So, in less time than a good overhaul would take—and frequently at less cost—you can have a car with everything a brand-new Buick engine can give you, and a car worth much more when you're ready to turn it in.

Good deal, isn't it? Worth looking into? Drop around and let us give you all the facts and figures.

## LAKE VILLA

The services at the Community Church at 11 o'clock last Sunday were taken over by the laymen, and Delbert Sherwood delivered the sermon. Marry Weber led in the opening devotionals while Neil Reidel read the scripture lesson and led in prayer. The choir is growing and adds much to the service. Rev. Dixon has announced the topic "Take a Look at Yourself," as the basis for the sermon next Sunday.

The Woman's Society of Christian Service will hold its next meeting at the Village hall on Wednesday afternoon, March 3. Dessert luncheon at 1 p. m. followed by business meeting. There were 37 women present at the last meeting when Mrs. Wm. Beitzel, of Waukegan, gave a demonstration of plastics, which were very practical as well as beautiful.

Mrs. Elizabeth Griffith and Mrs. Bessie Grimes, of Chicago, visited at the Dan Boyer home a few days last week and attended the meeting of the W. S. C. S.

Mr. and Mrs. J. G. Poulton, of Hebron, visited friends here last Friday. Mr. and Mrs. B. J. Hooper made a trip to Belvidere last Thursday when their daughter, Mrs. Ellis and children, who had been here for a few days, returned home. Mrs. Hooper and Mrs. Ellis spent Tuesday, last week shopping in Chicago.

Mrs. William Walker and June in Waukegan last Sunday afternoon to attend a shower for Mrs. Everett Lucas, the former Margaret Walker. Mrs. Mabel Baker, of Evanston, visited her niece, Mrs. Clarence Blumenschein Sunday.

Mr. and Mrs. J. C. Botts, nee Edna Barnstable, are receiving congratulations on the birth of a son, Danny Carlyle, 8 lbs. 15 oz., at Victory Memorial hospital on Thursday, Feb. 19.

Mr. and Mrs. Carl Ekdahl and Carlene, Mrs. Lulu Nelson, also the Wm. Nelsons, of Antioch, left early Sunday morning on a trip to Nashville, Ill., to visit Mrs. Nelson's sister, Mrs. Frank Taylor and husband there. Mrs. Nelson remained with her sister to stay a month or so, but the Ekdahls and Wm. Nelsons returned Monday.

The Don Oilschlager family is staying at the Lloyd Barnstable home since the fire at their home on the J. O. Hucker farm, south of town early last week made the house unfit to live in.

A short service was conducted at the Angola cemetery here last Saturday for Mrs. Rose Leonard Miller, sister of Mrs. Pearl Reinebach. Mrs. Miller died quite suddenly at her

home in Chicago last week. She had spent her girlhood days here, and was the daughter of Mr. and Mrs. James Leonard. Besides her husband, she leaves four sisters, Mrs. Mae Eberler and Mrs. Ruby Anderson, of Chicago, Mrs. Kathryn Hodgkins, of Grayslake, Mrs. Pearl Reinebach, of Lake Forest, James, of Calumet City and Edward of Chicago. One brother, Anthony, preceded her in death. Following the services, the family spent some time together at the Reinebach home.

Mrs. Winnie Fish, who with her husband, John, lived for some time here, passed away at her home in Grayslake last week and was laid to rest in Angola cemetery last Wednesday where other members of her family also rest.

Mr. and Mrs. Roy Sweet, and son, who live in a trailer camp near Waukegan, spent Sunday with her parents, Mr. and Mrs. Herman Ducommun.

The Halcyon group held their regular monthly meeting at the home of Mrs. Lena Ekdahl Thursday evening with 21 members present. At the close of business meeting over which Mrs. Helen Avery presided, Dr. E. P. Midgley gave a most interesting talk on "The Mormon Religion." Refreshments were served by the hostesses, Mrs. Lena Ekdahl, Mrs. Dorothy Langbein and Mrs. Shirley Sherwood.

## Antioch Checker Players Win Draw At Waukegan Wed.

Antioch's checker players made a very credible showing in the first of a series of matches with members of the Waukegan Chess and Checker club last night at Waukegan.

The matches arranged by El Capitani, an employee of the Curtiss Candy Company, who has held that the Waukegan men could take the locals with ease, and Morris Pickus, who has been just as insistent that the locals could hold their own with any competition. Pickus reports that Capitani has been "needling" the local players for about three years, and that the match was finally arranged. Players representing Antioch included Robert Runyard, Roy Kufalk, James Webb and Walter Darnaby in the Checker division and Morris Pickus in Chess.

Although checker pushers only won a draw with the opposition, some of the players reported that the games were played under a terrific handicap in that the boards on which they played were, at table height, while they were accustomed to playing with the boards much lower. Pickus said that members of the checker team made the statement that when a return match is played, with the boards the correct height

that he anticipated no trouble in taking the Waukegan team.

In the chess division, Pickus was up against opposition which he classified as very "tough" and added that the calibre of a chess player could be accurately gauged by his manner and courtesy, the theory being that the more deference shown, the better the brand of chess to be expected. He added that his opponent was the most polite and considerate gentleman he had met for some time.

A return match will be arranged within the next few weeks.
